How Does It Work?

- You set up keywords (search terms) that represent you or your business identity
- We use those keywords to monitor the web for any related activity
- We send you alerts through email or RSS feed
- If required, we present a plan to remove or suppress negative postings or we design a campaign of Online Brand Management.

Get started now ... Affordable monitoring plans start at just \$29 a month!

**ORM** With My Reputation Tracker™ on your side, you can rest easy**About My Reputation Tracker**

- My Reputation Tracker is the ideal solution for individuals or businesses that recognize that their online reputation is no longer a luxury. Whether you or your company operate online, offline or both, the world will find you on the Net. Your online reputation is a key asset, one that can be all-too-easily ruined by so much as a single negative posting. Smart businesses, job seekers- virtually anyone- profits immensely by taking control of their online presence. You simply cannot leave this to chance, or in the hands of a competitor, disgruntled customer, or even a well-meaning but careless friend. Photos, blog postings, or any kind of listing that includes your name, will find itself into the search engines and will not be easily removed.
- My Reputation Tracker will track your name, your market brand, industry trends or customer "buzz." Or the activities of your competitors. You can monitor virtually any keyword or group of keywords.

- My Reputation Tracker lets you determine exactly what we will monitor. You can specify video or images, articles, blog postings, or other kinds of searches. Your data will be treated with absolute confidentiality. We guarantee that by contract.

What if you find a negative listing or an attack on my reputation?

My Reputation Tracker is a product of the premier online reputation management company,

www.onlinereputationmanager.com. No one is more qualified to manage online reputation. Take a look.

ORM About OnlineReputationManager.com, the company

ABOUT OnlineReputationManager.com

Fully operational since 2001, ORM has established its own reputation as a powerful ally to both individuals and businesses. Our value proposition is simple: we get it.

We understand how quickly and deeply your online reputation can be damaged by so much as a single misguided blog posting. We know that, to you, the stakes couldn't be higher-that your reputation is priority number one. We know how to identify the problem source, assess the impact, and take corrective action. Starting now.

ORM is part of a global, information technology company that is headquartered in Pittsford, New York. We number over 50+ employees and have branch offices at Mohali and Chandigarh, both in India. And, we have a growing network of legal partners worldwide.

**THE OnlineReputationManager.com
ONLINE BRAND AND REPUTATION
MANAGEMENT TEAM**

The ORM service made up of professional team leaders, each of whom supervises 10-20 other technical specialists. Each team handles a specific technical task such as content development, article writing, link acquisition, blog posting, and so on. Your project team reports to a senior project leader. Both the senior project leader and an identified customer support representative report directly to you. We keep you "in the loop" and engage you in the operational process at the level you dictate.

Our reach and our thinking is global. It has to be. In today's high-speed world, both problems and solutions travel at "the speed of the Net."

**PROFESSIONAL
ORGANIZATIONS**

OnlineReputationManager.com also has proven competency in the field of search engine optimization and is a registered member of these professional organizations.
